Dear Rob,

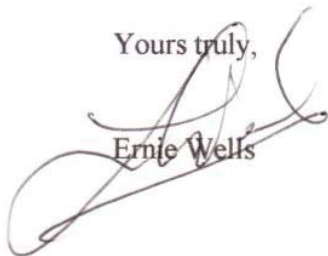

Many thanks for your recent waterproofing of our slate deck. It has been a pleasure having you complete the job for us.

Your fairness, attention to our requests, your promptness and dedication to ensuring a job well done is much appreciated.

From experience I can say that it is very refreshing, in this day and age, to find someone as honest and responsible as you.

I would be very happy to recommend your services to anyone requiring your expertise.

Yours truly,

Ernie Wells
