To whom it may concern,

This letter is a recommendation letter for Rob Hamilton, The Concrete Philosopher.

Rob has been using Kryton's Krystol Crack Repair System as part of his repair toolbox for more than 15 years in various types of challenging waterproofing applications. He is professional, courteous and always strives to get the job at hand complete with the customer's best interests and satisfaction in mind and we constantly receive feedback in regards to Rob's top notch customer service. We continue to recommend Rob as a contractor with confidence that he will get the job done right.

Please do not hesitate to call us if you have any questions.

With best regards,
Kryton International Inc.
