Subject: Concrete Philosopher

To whom it may concern,

The Strata Corporation has had the pleasure of doing business with Rob Hamilton on several occasions. Each time Rob has always taken the time to listen first, and offer us options for the work needed. Each option is explained in detail and in plain english so we are always aware of what the process will be and no unexpected surprises.

The work is always done to or above spec, Rob is very punctual, a good communicator, and his excellent work ethic is above par.

We have no hesitation recommending The Concrete Philosopher. We hope to continue doing business with him in the future.

Should you have any question, please contact our strata management company Fraser Property Management. (604-466-7021)

Yours truly,
